

## **RECYCLE FOR VICTORY!!!!**

The World Cup Bull Riders along with Sprint are proud to be helping the children of the Victory Junction Gang Camp. Nascar driver Kyle Petty and his wife Patty founded this camp for the kids in honor of their son Adam Petty. Nascar driver Adam Petty sadly lost his life in a fatal accident at New Hampshire International Speedway in Loudon, NH. The WCBR are making Free Postage-Paid envelopes available for any who wish to help by mailing all used/unwanted (any kind) cell phones, batteries and/or accessories in any condition.

Donated phones/accessories are recycled, with net proceeds going to the Victory Junction Gang Camp to benefit children with chronic medical conditions or serious illnesses. This camp runs only by donations. Together we can help kids in need and reduce the number of used phones/accessories that might otherwise end up in municipal landfills.

Please take a FREE Postage-Paid envelope for all used & unwanted (any kind) cell phones, batteries, and/or accessories in any condition. You can also bring all your unwanted items to any of our events and put them in a drop-off box for us to mail. Bags will be available at all events also.

The WCBR and the Victory Junction Gang Camp want to  
**THANK YOU** for your help and Participation!!!!
